

GAME RULES

KING'S BOUNTY SIDE BET

IN BLACKJACK

If indicated at the table, players may place a King's Bounty side bet in addition to their initial bet or, if allowed at the table, without making an initial bet. This bet must be made in accordance with the minimum and maximum limits indicated at the table and placed on the designated spot before the first card is dealt. Thereafter, it cannot be withdrawn or changed. A King's Bounty side bet wins if the player's first two cards total 20. Otherwise, it loses. Winning King's Bounty side bet payouts are as follows:
