BLAZING 7'S SIDE BET

BLACKJACK

If it is indicated at the table, you may make a Blazing 7's side bet in addition to your initial bet. It must be within the limits indicated at the table and placed where indicated on the table before the first card is dealt. A Blazing 7's bet wins if at least one of your first two cards is a 7. Winning Blazing 7's side bets are paid in accordance with the following payout table:

FIRST THREE CARDS:

THREE 7S OF DIAMONDS	100% of the progressive jackpot*
THREE 7S IN THE SAME SUIT	10% of the progressive jackpot**
THREE RED 7S	2500\$
THREE BLACK 7S	2500\$
THREE 7S	1000\$

FIRST TWO CARDS

TWO 7S	125\$
ONE 7	10\$

Note that only one prize can be paid on a winning bet.

*The amount of the progressive jackpot to be won will be indicated on the display screen at the table. In the event that more than one player gets a hand with three 7s of Diamonds during the same game, they will equally share the relevant progressive prize.

**In the event that more than one player gets a hand with three 7s in the same suit during the same game, they will equally share the prize as follows: an amount equal to 10% of the relevant jackpot prize, plus an amount equal to 10% of the relevant jackpot prize from which the above amount has been subtracted and, as appropriate, plus an amount equal to 10% of the relevant jackpot prize from which the previous two amounts have been subtracted, and so forth according to the number of players who get three 7s in the same suit.

In the event that more than one different progressive jackpots are won during the same game, payments will be made in the order of winning combinations from the lowest ranking (three 7s in the same suit) to the highest (three 7s of Diamonds).
